Dear Aaron,

CEDR Accreditation

Following your recent participation in the course, I am very pleased to inform you that you have demonstrated the required standards to achieve CEDR Mediator Accreditation and may now use the title 'CEDR Accredited Mediator'.

Please find enclosed your Accreditation Certificate.
Following this success, I hope that you will continue your contact with CEDR by participating in our alumni network MyCEDR. This is a network for individuals who are interested in the field of mediation and who wish to develop their knowledge and skills. The emphasis is on information and learning exchange with input from CEDR in the form of information services as well as access to events and seminars.

The annual fee for participation in the MyCEDR is currently £182 + VAT (£120 for non-UK residents). To take part please complete the membership form online at https://www.cedr.com/join-mycedr-membership/ or contact MyCEDR@cedr.com.

For more information on MyCEDR and the ways in which we can support you in your next steps, please see the 'Your Relationship with CEDR' document within the results pack.

Once again, congratulations on your successful CEDR accreditation.

Yours sincerely
